Training for Churches

Practical, Bible-centred training for churches, ministry leaders, volunteers, parents, and grandparents.

Churches today are navigating changing culture, busy families, volunteer challenges, and growing questions around faith formation.

Scripture Union Canada provides practical, Bible-centred training that helps churches strengthen discipleship at church and at home. From children's ministry workshops to faith-at-home conversations for parents and grandparents, our sessions are designed to support lasting faith across generations.

"Training is their strength!

SU's staff bring loads of experience, deep faith and love for the Church and God's Word."
