

LOOKING AHEAD

RESPONSIBLE STEWARDSHIP

IN 2023, WITH YOUR SUPPORT AND PRAYERS AND THE LORD'S STRENGTH AND GUIDANCE, WE PLAN TO:

- curated journeys to equip children's ministry leaders and parents to disciple children through School of KidsMin.
- run 26 camps and increase our clubs
- children's ministry survey
- advance in person and online children's ministry, sports ministry, and Bible engagement training
- start a podcast for advocacy and education on family ministry and Bible engagement.
- grow our clubs
- Restart theStory Bible reading guide - our free online Bible reading resource.

SU Canada operates with exemplary integrity and adheres to high standards of fiscal responsibility.

THANK YOU FOR YOUR GENEROUS SUPPORT

FAMILY QUEST

DEVELOPING NEW
RESOURCES TO CONNECT
FAMILIES WITH JESUS AND
HIS STORY.

Covid highlighted the importance of faith formation in the home. Parents realize they need to disciple their children, but feel ill-equipped to do so. Scripture Union is working to equip parents with Bible engagement resources for the whole family. We're advocating for Bible engagement in the parents, children and the whole family together. **Family Quest was one solution.**

HOW IT WORKS

Family Quest includes 30 different Bible readings that helps families work through the Bible from Genesis to Revelation. Each card contains one Bible reading and 6 different creative ways to engage with the passage. The family rolls the die to determine which of the 6 activities they complete together.

OPPORTUNITIES FOR CONNECTING CANADIANS WITH JESUS AND HIS STORY ARE REOPENING.

Two years of lockdowns and social distancing have changed a lot in how we do ministry. Scripture Union has always been innovative in our ministry approaching, striving to be flexible and pursuing ministry opportunities as God opens doors (and windows). Opportunities for online ministry continue to abound here in Canada and beyond, we found ourselves doing a lot of ministry online and in-person in 2022.

MINISTRY ONLINE

In 2022 we published more blog posts than ever before - with the highest reach of nearly 200,000 people on social media.

Whether it's helping Canadians read the Bible better (our Bible Reading Blog) or advocating for children's and family ministry (Children's Ministry Basics) through online articles, newsletters and videos.

IN-PERSON MINISTRY

Summer 2022 had the highest average attendance rate for camps - 49.5 campers per camp (a total of 1300).

Many churches were hesitant to restart camps and weekly clubs after two years of shut down. Scripture Union worked closely to help these churches navigate the challenges of ministry after COVID and suprisingly we saw the highest average attendance rate ever! All glory be to God as our first full summer of ministry saw three times the number of campers and interns. We also saw the most number of campers respond to the Gospel and are diligently working with our camp partners on following up with campers - including offering a weekly discipleship sports club. www.susports.com
